

Zoom Workshop Registration 2021

Pocket Sketching

Instructor: Kath Macaulay
Days: Tuesdays & Fridays Feb 2, 5, 9, 12, 16
Time: 1:00-3:00 pm

Each session begins with a 30 minute group chat followed by approx. 1 1/2 hours instruction time. Class sessions will be recorded and available for two weeks, allowing for review or "make-up".

This is the perfect technique for travel journaling, hiking, biking, sauntering, or sitting in a café. Capture what you think you see in 25 minutes or less using a water soluble pen, a 4 x 6 inch pad of paper, and a small paint set. Ideal for the timid beginner to paint fearlessly in public and the advanced artist who wants minimal equipment, total portability, speed, no interruptions and no clean-up. Sessions will focus on:

1. The use of the water soluble pen, emphasizing perspective of contrast
2. The use of the pen with watercolor, emphasizing the perspective of color
3. Landscape, photo reference: editing and focal point
4. Landscape, photo reference: wax as a resist, scraping rocks in stream
5. Florals, live and photo reference, (uses everything learned in classes)

There are interactive evaluations during teaching time and after first class, homework is evaluated at the beginning of each session. The five sessions are spaced 3 to 4 days apart to allow for homework and different learning speeds.

Cost for 5 class sessions: \$175 for Museum members (\$190 for non-members)

Class **supplies are an additional \$45** plus shipping. *Instructor will ship supplies to each registrant along with an eight minute video explaining why each item was picked and how to have them ready for the first session. One to two days before the first class, she will email the link for the Zoom class with instructions.*
